Resident Newsletter Summer 2022

Summer Party Season Is Here!

- When scheduling a gathering in the Recreational Facilities (Salon, Private Dining Room, etc.), that has eight (8) or more people, please stop by the front desk or management office to get an Amenity Reservation Agreement form.
- Please complete the Agreement and submit it to management, with the security deposit to secure your reservation.
- Any gatherings (either in-unit, or in the Recreational Facilities) for which you anticipate six (6) or more guest vehicles, you MUST advise management in advance. This way we can schedule additional staff and/or facilitate the hiring of a valet service.

THE CARLYLE FAMILY WELCOMES...

We are always looking out for driven, high-end hospitality professionals to join our team!
Please join us in welcoming two new wonderful additions to The Carlyle Family!

Reserving the Service Elevator....

When reserving the service elevator, please remember:

- ♦ We never schedule two (2) move-ins or move-outs on the same day. If you have scheduled a move-in or move-out, you can be confident you will be the only move scheduled for the service elevator that given day.
- ♦ There will be other vendors/contractors utilizing the service elevator on the day you have reserved. Please take into consideration that there may be a slight delay in service depending on how busy things are in the building.

THE SWEET OUTDOORS!

Now that the lobby and ground level common areas have received their new looks; its time for the pool, BBQ area and newly landscaped back lawn to shine!

The outdoor furniture will be getting new cushions upholstered with luxurious Janus et Cie fabric. This will bring new color tones and a brighter feel to the Carlyle's outdoor space. It will also pair very nicely with the updated landscaping recently done by the pool and fire-place areas.

The Design & Aesthetics Committee, along with the Board of Directors, has decided on two fabrics shown below that will be used to give our "backyard" a new look.

Fabric Style: Uluru-Viridian

This fabric will be used for all outdoor furniture pieces

Fabric Style: Pitch Stripe Viridian

This fabric will be used to make accent throw pillows for the circle lounges and the sofas by the outdoor fireplace

RESIDENT PORTAL ACCOUNT REGISTRATION

In an effort to simplify the Resident Portal registration process, on page 2 of your Statement you will see a QR code and Registration Key/ID that is unique to your property.

Scan the QR code to bypass a portion of the Registration process – this will take you straight to a page where you set your log in information, and then you'll be in the Resident Portal!

If you don't want to scan the QR code, you can click the Register button on the Resident Portal log in screen and enter the Registration Key/ID into the Registration Key/ID field.

NOT SURE HOW TO SCAN A QR CODE?

Most smart phones and tablet have this feature built into their camera. Simply open your camera application and point it at the QR code. You should then see a pop up prompting you to open the link in your web browser!

LOOKING FOR SOMETHING FUN TO DO THIS SUMMER UNIQUE TO LOS ANGELES, ALWAYS REMEMBER THE HOLLYWOOD BOWL!
